

Audiovisual & Business Equipment

Inventory Clearance Sale

To make way for new products,
we're selling some of our leading
brand ex-rental equipment.

Some terms and conditions apply. See back page for further details.

RENTAL PURCHASE OPTION

TR VIDCOM offers approved business customers a unique rental solution with an option to own scheme. The option of ownership offers flexibility should a stopgap measure turn into a long term or permanent need.

After a mutually agreed minimum rental period (typically 12 months), the equipment may be purchased by paying an amount equal to one month's rental. After a specified number of payments, the equipment is yours!
